Behavior In Public Places Erving

You never know when someone is watching your behaviour in public places .. in the 60s a sociologist was observing, noting and published a book! This was Goffman. I have NO idea if I'll write a review of this work one day, but all my notes/citations are available, they can give you 'glimpse' of what this 'report' (as Goffman says) is about.

Goffman, Erving 1966. Behavior in Public Places: Notes on the Social Organization of Gatherings. New York: The Free Press. Briefly, a social order may be defined as the consequence of any set of moral norms that regulates the way in which persons pursue objectives. The set of norms does not specify the objectives the participants are to seek, nor the pattern formed by and through the coordination ...
