Cain's Book is Trocchi's self-reflexive look at his life as a junky. The introduction's for my copy, by Greil Marcus and Richard Seaver, are two of the most dismissive, pessimistic book intros I've read. They both read as lamentations of what could have been, what Trocchi could have written.

Author Alexander Trocchi's muse was drugs—but in this novel, he does not romanticize the source of his inspiration. If the experience of heroin, of the “fix,” is central to Cain's Book, both its destructive force and the possibilities it holds for creativity are recognized and accepted without apology.
