JSR-189 was left open as a place-holder, but it no longer makes sense to leave it open. At the time of withdrawal, the Java 3D API was a community source project on java.net, where all new development had happened over the past 18 months. They were actively developing the 1.4 API release with help from the Java 3D community on java.net.

La recherche thématique des livres repose sur la Classification Décimale Universelle.. Cette classification repose sur quelques principes de base : tout classer : il n'y a aucune rubrique « divers »;; classer en partant du contenu des documents à traiter : c'est donc une classification idéologique, au vrai sens du terme;; classer en allant du général au particulier.
