A vampire is a creature from folklore that subsists by feeding on the vital essence (generally in the form of blood) of the living. In European folklore, vampires are undead creatures that often visited loved ones and caused mischief or deaths in the neighbourhoods they inhabited while they were alive. They wore shrouds and were often described as bloated and of ruddy or dark countenance ...

1 Posts. Re:Secret Cache Locations -complete list-by guest72 on Dec 6, 17 6:14 AM Great walkthrough and very helpful. However on level 27 you state that one of the locations is situated on a small earthmound on the right side of the market building site. I cannot find any trace of this, and believe that it is wrongly specified.

Jack Schmidt is a character created by the Universal Studios design team as an icon for Universal Studios' Halloween Horror Nights. He was introduced as the first original icon (but certainly not the first icon in general, as the Classic Monsters, the Cryptkeeper, and Imhotep came before him) for the event during its tenth year, and became so popular that he has been used several more times ...
