### Supernatural

Supernatural is somewhat endearing in that the main characters (the only ones who will be recurring) are brothers, however, the writing makes the characters more believable. They are different from each other, each with their own take on life and things that are not typical.

### Twitter

Not long after Crowley exited Supernatural, there was a pretty provocative instance on Twitter where executive producer Jim Michaels hinted that both Crowley and Mark A. Sheppard might not be done with the series for good. Sheppard responded by accusing Michaels of intentionally misleading fans, and stated bluntly that there were no plans for him to come back at any juncture.
