Viking Graves And Grave Goods

The ship burial is a viking funeral practice traditionally reserved for individuals of high honor. The practice includes the burying of the individual within a ship, using the ship to contain the departed and their grave goods. These grave goods featured decorative ornamentation that far exceeded the extravagance of traditional burials.

Norse funeral - Wikipedia

Viking slave girl was executed to follow her master in his afterlife (Cre: "Vikings" TV Series) This also helped to cement the point that the Vikings buried the slave as grave goods. Because the death of the slaves should be as quick as possible so beheading was the best option.
