Winter In The Blood James

When Samuel Collier was twelve, he came to the brand new James Town colony as a servant to Captain John Smith. Blood on the River is his story. The story covers just before he came to the New World through the Starving Time (though he was at Point Comfort and so did not experience those terrible months the way those who stayed in James Town did).

These animals' screams will chill your blood

Nuclear winter is a severe and prolonged global climatic cooling effect that is hypothesized to occur after widespread firestorms following a large-scale nuclear war. The hypothesis is based on the fact that such fires can inject soot into the stratosphere, where it can block some direct sunlight from reaching the surface of the Earth. It is speculated that the resulting cooling would lead to ...
